

Anti-Reproductive Rights Crimes

Data Set Overview and History

The Department of Justice (DOJ) Criminal Justice Statistics Center (CJSC) collects information on Anti-Reproductive Rights Crimes (ARRC). The ARRC data are collected from various Law Enforcement Entities (LEA) throughout the State, on a monthly basis. The data set contains information on crimes that are committed against reproductive health services providers, clients, assistants or the facilities where these services are provided or at a place of worship because of the church's beliefs regarding reproductive rights and includes the location of the crime, victim type (individual/property), race/ethnicity, gender of victims and suspects, weapon involved, and property loss or damage.

Statutory Authority

DOJ has the statutory authority to collect ARRC data pursuant to Penal Code section 13777(a).
